DXpedition to Desolation Island!

Located halfway between Africa and Australia, and just about as far away from North America as possible, this icy, windswept island has always held a top spot on the DX world's most wanted lists. But just what kind of DXer does it take to leave home for 6 weeks and travel to such a faraway place?

Sailing with the famous R/V Braveheart to new extremes in the South Indian Ocean, and again using the "low power-vertical antenna" approach, join the Microlite Penguins DXpedition team as they battle through the seas and the pileups from yet another remote Antarctic destination!

THE PREZ SPEAKS!!!

Happy New Year everyone, I hope your holiday season was great and you got to spend some time listening and working a new one. Even with the low numbers the bands still provide some entertainment. 75 and 80 are still providing some sunrise and sunset openings. The warc bands have also had some nice workable rare ones.

Tuck has made some improvements to our web page. Please keep watching for a few more. His efforts are really appreciated.

Visalia is on the horizon, be sure to buy your registration package early. Speaking of which, our club will be assisting the SCDXC with registration and we will need volunteers to help with this function. We have helped with this task in the past and it has resulted in a nice bonus for our club treasury.

Everyone keep the radio on, have a good month and remember DX is, Contests are, 73's Jim.

San Diego DX Club Policy on content of

DX Bulletin and/or E-mail Reflector

The San Diego DX Club, a group of Amateur Radio operators, interested in the art of DXing, publish a monthly newsletter, and maintains an e-mail reflector where members and officers can post information of interest to other members.

Our policy is to print and/or post only information that is related to Amateur Radio, and not items of a political or religious nature, unless it has an impact on Amateur Radio, such as antenna ordinances, etc.

If a member wishes to have printed/posted any topic that is not Amateur Radio related, they can submit a copy to the club newsletter editor, webmaster, e-mail reflector moderator or any club officer, and the matter will be discussed and decided upon by the Board of Directors.

DUES, DUES, DUES.....

.....ARE DUE, DUE, DUE!!

Membership in the San Diego DX Club runs from January 1 to December 31 each year. So far only 25 members have sent in their dues which reflects about a third of the membership. There are a few who have signed up for multiple years in the past so there are still many who have let their membership lapse. Please take the time now to send in your check in the amount of \$10.00 to SDDXC, 243 Our Country Road, Escondido, CA 92029-5715. If you have any question about the status of your membership email me at w6yoo@cox.net or call 760-743-4212.

INTERNATIONAL DX CONVENTION, VISALIA CALIFORNIA

APRIL 21, 22, 23

Less than three months left to the big show. So far the attendees list shows only a mere handful of SDDXC members going.

Remember, this is a joint effort of SCDXC and SDDXC from which we derive a fair share of the proceeds for our participation and help. So, make a commitment to attend and contact President Jim, W6YI to volunteer to assist in the event.

To see what is happening go to: <http://www.dxconvention.org/> to see about registration and hotel accommodations.
